

## Read My Lips!

Each puzzle results in a code word or words which must be entered to stop the clock.

Each sequence of mouth positions below adds up to a single word from the passage (also below). Match each set of mouth positions to one of the words in the passage to give Hermione an alternative to slapping Malfoy.

"Harry and Ron both made furious moves toward Malfoy, but Hermione got there first - SMACK! She had slapped Malfoy across the face with all the strength she could muster. Malfoy staggered... Crabbe and Goyle looked at him for instructions, thoroughly bewildered. "C'mon," Malfoy muttered, and in a moment, all three of them had disappeared into the passageway to the dungeons."
